SPECIAL THANKS:

This album is a dream come true! I am so grateful for many people in my life who continue to inspire me in the relentless pursuit of excellence and the creation of this crystalized vision. I stand on the shoulders of so many great people who have come before me. I fight to stay humble and principled throughout this life journey. My work was created to further etch in stone our people's greatness. We are the "Diamond Cut."

Thank you Mom and Dad, you are the "Crowns of Grey" in my life, royalty and true nobility. To my sister Shamie for keeping me grounded in spirit and lifted in prayer. My brother Ashton for keeping me laughing and all of us honest. I love you all.

Margo, thank you for your insurmountable sacrifice, love, and vision...I couldn't have done it without you. We did it!

Terri Lyne: for your mastery, foresight, and for always encouraging me to think bigger. For planting and inspiring seeds of greatness for so many. Thank you for always uniting and juxtaposing people from different musical worlds. You helped make dreams come true. Thank you for the countless hours you poured into producing this project! Only God knows.

To Jack D. and Dave H.: Thank you for being the legends and gems in our Jazz community. Thank you for setting the standard. I am still pinching myself that I got a chance to record with my Dream Trio! Truly a blessing and an honor!!

Bill, James, Adam: Thank you for your expertise in and out of the studio. Each of you brought ease and beauty to this recording. You all made it seamless. Y'all were killing!
